

It may not be practical to host your special occasion in Italy, but VIA offers the next best thing, bringing the feeling of Italy to Worcester.

VIA is like one big Italian table. It is a place where singles mingle with families, where private conversations are had among festive celebrations, and where special occasions are made extra special by an environment that offers settings that can be elegant or festive, comfortable or sophisticated. It's intimate and personal, but professional, too.

If we are unable to accommodate your party we will refer you to one of the other restaurants in the Worcester Restaurant Group; One Eleven Chop House or The Sole Proprietor
